Model Search 2015

Congratulations

To our scholarship winners!

Devin Walker & Lillian Conner

Model Search gives 20 students throughout Indiana a chance to participate in our annual prom photo shoot. One male and one female are selected as top model and receive a \$1,000 college scholarship courtesy of Louie's Tux Shop!

There are two ways of being selected: be one of the top (5) male & females during online voting or be one of the additional 10 to receive personal invitations from our selection committee.

Students from all over the state submitted their entries. This year we had over 280 students participate and over 24,000 votes cast during September and October. After the automatic entries were announced, ACT II Talent & Modeling Agency along with our marketing board selected the remainder of this year's cast.

This magazine is for all those students considering going to prom this year. We hope our group of modeling stars gives you the inspiration to take part of the most memorable night of your 12 year journey.
